SAN DIEGO / LAS VEGAS / MIAMI

The world's premier manufacturer of the finest preserved, fabricated, and reproduction trees and plants.

HORTICULTURAL DÉCOR

Custom Tree at Sushisamba's London Heron Tower Restaurant

Fabricated, Preserved, and Replica:

Trees • Green Walls • Florals
Plants • Topiaries • Hedges

TreeScapes
& PlantWorks

For decades now, TreeScapes & PlantWorks have specialized in horticultural design elements for clients all around the world.

Our creations are ideal as:

- Centerpieces
- Landscaping
- Photo Backgrounds
- Interactive Displays
- Column Concealment
- And More!

LEFT: This custom-made bar area centerpiece tree is both Ultraviolet Inhibited (UVI) and Inherently Fire Retardant (IFR).

It features a hollow steel core, faux Oak Tree bark, faux Banyan Tree foliage, and conduits within for lighting and wiring.

The tree is done entirely in Sushisamba's signature branded shade of orange.

WHY ARTIFICIAL?

At TreeScapes & PlantWorks, we provide our clients with the highest quality commercial-grade products on the market.

We offer one of the largest and most diverse selections of **artificial trees, plants, hedges, topiaries, flowers, and floral arrangements** in the business.

Our products are custom-made to your specifications, and can include your choice of colors, foliage, bark, and more.

No need for...

- Watering
- Fertilizer, pesticides or herbicides
- Pruning/trimming
- Soil
- Interior sunlight
- Temperature control

Perfect for...

- Commercial design and decor
- Difficult environments
- Interior and exterior use
- Reducing maintenance costs
- Concealing lights, cameras, security equipment, and more
- Camouflaging structural and plumbing components
- Avoiding scent and allergy concerns

Great for challenges like...

- Lack of sunlight
- Weight/height limitations
- Irrigation concerns
- Location and/or access limitations
- Temperature and humidity concerns
- Seasonal limitations
- Potential growth or root related problems

Quality & Consistency

Our products have graced hotels, casinos, restaurants, airports, and hospitals worldwide for decades. Clients request us because they know we have the skills and reliability they can count on.

Innovation

We constantly innovate, creating exclusive new products, processes, and solutions

Handmade in the USA

Trees, plants, and other horticultrals by TreeScapes & PlantWorks are handcrafted by our artisans in the United States.

You Buy a Tree, We Plant a Tree

We donate to One Tree Planted, a non-profit 501(c)3 organization that supports global reforestation efforts. We have at least one tree planted for every tree we sell.

PRODUCT FEATURES

Environmentally Tested

Products by TreeScapes & PlantWorks may contribute to the acquisition of LEED (Leadership in Energy and Environmental Design) credits for green building certification, in the following categories:

- **Water Efficiency (WE) Credits:** Our products require absolutely no water.
- **Indoor Environmental Quality (EQ) Credits:** Pesticides are never needed for maintenance of our products. This maintains air quality by not introducing toxins.
- **Materials and Resources (MR) Credits:** Select products and designs incorporate natural and/or recycled plant materials.

Inherently Fire Retardant

We are a world leader in the manufacturing of Inherently Fire Retardant (IFR) products. We are a proponent and supplier of interior, commercial-grade, fire retardant botanicals.

IFR products and our exclusive UltraLeaf-IFR® Foliage are tested and in compliance with the following state and federal fire codes/building regulations:

- California Title 19
- National Fire Protection Association NFPA 701
- U.S. Government SIN-494-4 flammability code
- American Society for Testing Materials ASTM E-84
- Qualifies as NFPA Class A fire-retardant material
- Qualifies as UBC Class 1 fire-retardant material

UltraViolet Inhibited

We are a pioneer in the manufacture and sale of artificial, commercial-grade, UltraViolet Inhibited ("UVI") horticultural products. Our exclusive UltraLeaf-X® UVI Foliage is independently lab tested and exposed to 1,000 hours+ of UV light (equivalent to years of ordinary exposure) with zero product degradation noted.

We also confidentially offer the longest Color-Fade Warranty in the industry.

angeable branching, and a nearly endless array of foliage options.
s to match the season, mood, decor, or theme!

CUSTOM TREEHOUSES

Made to order treehouses combine safety, durability, and fun for kids of all ages. Libraries often add our treehouses to their children's areas. They're a great way for little ones to stay active, and the design provides lots of nooks and cozy places to curl up with a book.
